MESSAGE FROM THE FOUNDER & CHIEF EMPOWERMENT OFFICER

Dear Graduates, Partners, and Esteemed Guests,

It is with deep honor and heartfelt joy that I welcome you to the **Cohort 11 Graduation Ceremony of Gonet Academy**. Today, as we gather at the beautiful Harvest Intercontinental Cathedral, we celebrate a milestone that reflects not just academic achievement—but vision, courage, and transformation.

This moment is more than the end of a training program; it is the beginning of new possibilities. Over **700 professionals**, representing over **300 institutions**, made the intentional choice to invest in their growth through **Gonet Academy's Continuous Professional Development (CPD) Certificate and Diploma Programs**. Your journey is a testament to the power of commitment, resilience, and the unshakable belief that you are destined for more.

At **GonetAfrica**, our purpose has always been clear: to raise a new generation of ethical, creative, and transformative leaders who will drive Africa's growth from the inside out. **Gonet Academy** was born out of that vision, to equip, empower, and elevate individuals through practical, accessible, and relevant education and professional training. Today, you represent that vision in motion.

To our advisory board, facilitators, and team, thank you for pouring knowledge with passion, supporting and guiding our learners with excellence. To our partners, thank you for believing in the dream and contributing to this movement. And to our graduates: you now carry the torch. Carry it boldly.

Let the knowledge you've gained be a tool. Let the confidence you've built be a voice. Let the values we've shared be your compass. Go out and create value, inspire change, and lead with integrity. This is not just a graduation. It is a declaration: you are ready.

Congratulations, Cohort 11. The future is waiting.
With great pride and belief in your greatness,

Mohammed Kerkulah

LIBERIA NATIONAL ATHEM

1st Verse:

All hail, Liberia, hail!
All hail, Liberia, hail!
This glorious land of liberty
Shall long be ours.
Though new her name,
Green be her fame,
And mighty be her powers,
And mighty be her powers.
In joy and gladness
With our hearts united,
We'll shout the freedom
Of a race benighted,
Long live Liberia, happy land!
A home of glorious liberty,
By God's command!
A home of glorious liberty,
By God's command!

2nd Verse:

All hail, Liberia, hail!
All hail, Liberia, hail!
In union strong success is sure
We cannot fail!
With God above
Our rights to prove
We will o'er all prevail,
We will o'er all prevail!
With heart and hand
Our country's cause defending
We'll meet the foe
With valor unpretending.
Long live Liberia, happy land!
A home of glorious liberty,
By God's command!
A home of glorious liberty,
By God's command!

ABOUT GONET ACADEMY

At Gonet Academy, we specialize in designing and delivering high-quality, industry-relevant and impactful continuous professional development programs, equipping individuals with the skills necessary to thrive in today's dynamic workforce.

Our programs are meticulously designed and methodically delivered to foster leadership, innovation, and career growth, empowering professionals, entrepreneurs, and emerging leaders to transform their communities and industries.

We aim to cultivate within our students a deep sense of responsibility, strong problem-solving skills, and the courage needed to lead meaningful change in society.

The 3Es Framework

- **Equip:** Providing relevant knowledge and practical skills.
- **Empower:** Inspiring confidence and building capacity for leadership.
- **Elevate:** Supporting individuals to reach their full potential and influence systems around them.

OUR STORY: A JOURNEY OF VISION, IMPACT, AND TRANSFORMATION

It began with a dream—simple, yet bold: to transform Africa by raising a new generation of ethical, creative, and transformative leaders. That dream became GonetAfrica, a youth-led organization with a clear mission: to equip and empower young people and professionals to become the change Africa needs.

In February 2021, GonetAfrica started with small youth events—bringing young people together to learn, network, and share ideas. We paid one month's rent for a co-working space at iCampus. When it came time to pay for the second month, our founder withdrew money from his personal account, bought tea and bread at a local shop on Randall Street, and headed to the office in Monrovia. To his shock, the money had disappeared. Speechless and heartbroken, he left the office—but not the vision.

Instead, we pivoted to hosting online events, staying committed to our mission even when resources were limited. Later that same year, a partnership was established with the A.M. Kyne Collegiate Resource Center on 12th Street within the William V.S. Tubman High School. We moved in and hosted impactful programs centered around youth empowerment.

Birth of Gonet Academy

In June 2022, our work gave birth to Gonet Academy—created to equip, empower, and elevate professionals through continuous learning and professional development. What started with a few programs quickly grew into something remarkable.

To date, we've completed 11 cohorts, empowering over 2,700 professionals from 400+ institutions across all 15 counties of Liberia. More than 3,000 young people, women and persons with disabilities have been impacted through different programs and projects, with majority being female. This milestone marks a powerful testament to our commitment to inclusive growth and professional excellence.

OUR PURPOSE

Transforming Africa through a change led by equipped and empowered young people and professionals. We believe in growing leaders who will drive Africa's transformation at all levels.

OUR VISION

To be a premier hub for practical, accessible, and empowering professional development that equips individuals with the skills, knowledge, mindset and network to lead, innovate, and thrive in a changing world.

OUR MISSION

To provide industry-relevant, hands-on, and learner-centered professional development programs that empower individuals to grow in knowledge, improve performance, and create meaningful impact in their careers, businesses, and communities.
