## ABOUT GONET ACADEMY

### Transforming Lives Through Learning

Gonet Academy is a professional development and capacity-building institution established to equip individuals with relevant, practical, and future-ready skills for career growth, leadership, and institutional impact. Founded as the professional training arm of GonetAfrica, the Academy responds to the growing need for continuous professional development that goes beyond theory to build real-world competence.

Since its establishment, Gonet Academy has delivered certificate, diploma, and comprehensive professional programs designed for high school graduates, university students, early-career professionals, and mid-career practitioners across diverse fields. Our approach blends technical expertise with essential life and leadership skills –emphasizing discipline, critical thinking, professionalism, and ethical practice.

Guided by the philosophy of **“Equipping for Excellence, Empowering for Impact,”** Gonet Academy is committed to producing confident, competent, and purpose-driven professionals who can contribute meaningfully to organizations, communities, and national development. Through structured learning, experienced facilitators, practical application, and mentorship, the Academy continues to serve as a trusted platform for professional growth in Liberia and beyond.

Beyond technical competence, we intentionally cultivate within our students a strong sense of responsibility, effective problem-solving abilities, and the courage required to lead meaningful and ethical change in society.

Our work is guided by the **3Es Framework**, which defines the Gonet Academy experience:

- Equip – Providing relevant knowledge, practical skills, and tools aligned with professional and institutional needs.
- Empower – Building confidence, strengthening capacity, and nurturing leadership mindset and character.
- Elevate – Supporting individuals to reach their full potential and positively influence systems, organizations, and communities around them.

Through this approach, Gonet Academy continues to serve as a trusted platform for professional excellence, leadership development, and sustainable impact.

## OUR STORY: FROM VISION TO IMPACT

GonetAfrica was not born out of abundance, it was born out of conviction.

In February 2021, at a time when many young people were navigating uncertainty, limited opportunities, and widening skills gaps, a simple but bold idea took root: what if young people were intentionally equipped not just with certificates, but with confidence, competence, and character? That question became the foundation of GonetAfrica. The early days were marked by borrowed spaces, virtual sessions, volunteer energy, and an unwavering belief in potential. What we lacked in resources, we made up for in purpose. Training sessions were not just delivered they were lived. Conversations extended beyond classrooms. Mentorship went beyond programs. And impact was measured not only by numbers, but by transformation.

As the work expanded from youth leadership and education reform to digital literacy, global opportunities, and institutional capacity building, it became clear that there was a growing demand for structured, continuous professional development. This led to the establishment of Gonet Academy, the professional development arm of GonetAfrica, created to respond to Liberia's evolving workforce and skills needs with relevance, rigor, and integrity.

Over five years, Gonet Academy has grown into a national platform for professional learning, serving high school graduates, university students, early-career professionals, and mid-career practitioners. Across multiple cohorts, programs, and disciplines, one principle has remained constant: learning must translate into real-world competence and purposeful action. Today, our graduates are contributing in workplaces, communities, public institutions, civil society, and entrepreneurial spaces across Liberia and beyond. Many are leading initiatives, mentoring others, and becoming part of a growing ecosystem of changemakers proof that when people are equipped intentionally, the ripple effects are lasting.

This graduation is not the end of a journey; it is a continuation of a story still being written. A story of resilience. A story of belief. A story of young people choosing growth, discipline, and excellence. As we mark five years of impact, we remain guided by the same conviction that started it all: when people are empowered with the right skills, mindset, and support, they do not just succeed they multiply impact.

And this is only the beginning.

## MESSAGE FROM THE FOUNDER & CHIEF EMPOWERMENT OFFICER

Dear Graduates, Distinguished Guests, Training Specialists, Partners, Members of the Gonet Academy Community, and Fellow Liberians, It is with immense pride, gratitude, and optimism that I welcome you to the Graduation Ceremony of Gonet Academy Cohort 14. Today marks another significant milestone in our journey of equipping professionals, empowering leaders, and elevating communities through quality professional development and lifelong learning.

As we celebrate this occasion, we recognize not only the achievements of our graduates but also the resilience, determination, and commitment that brought them to this moment. Behind every certificate and diploma lies a story of sacrifice, discipline, perseverance, and a desire for growth. Today, we celebrate those stories. Cohort 14 represents one of the strongest cohorts in the history of Gonet Academy. With a total enrollment of 1,012 learners, this cohort stands as the second-largest ever enrolled at the Academy, reflecting the growing trust that individuals and institutions continue to place in our programs. Our learners came from all fifteen counties of Liberia, representing government institutions, private sector organizations, civil society organizations, educational institutions, and entrepreneurial ventures.

I am particularly encouraged by the continued leadership of women in professional development. Female learners accounted for 59.4 percent of total enrollment, while female completion rates reached an impressive 95.88 percent. These figures demonstrate that when opportunities are created and barriers are removed, women continue to excel and lead. As an institution, we remain committed to advancing inclusive learning and creating pathways for women and girls to thrive professionally and personally.

The outcomes achieved by this cohort are remarkable. Our learners demonstrated significant growth in knowledge and competencies, with average learning outcomes increasing from 45.0 percent at baseline to 93.1 percent at endline, representing a 48.1 percent knowledge gain. These results affirm our belief that practical, competency-based learning remains one of the most effective tools for building human capital and preparing professionals for the demands of today's workplace.

Today, we proudly recognize 863 graduates across our various program categories. This includes 723 graduates from the Foundational Certificate Programs, 126 graduates from the Comprehensive Professional Programs, and 14 graduates from the Professional Diploma Programs. Together, these graduates represent a new generation of professionals equipped with practical skills, ethical values, and a commitment to excellence.

As we celebrate this achievement, we are honored to welcome as our Guest Speaker, Hon. Gbeme Horace-Kollie, Minister of Gender, Children and Social Protection of the Republic of Liberia. Her distinguished service to our nation and unwavering commitment to the empowerment of women, children, and vulnerable populations make her an inspiring example of leadership and public service. We are grateful for her presence and the wisdom she will share with our graduates as they embark on the next chapter of their journeys.

At Gonet Academy, we firmly believe that education must extend beyond certificates and credentials. True education develops critical thinkers, ethical leaders, innovators, entrepreneurs, and problem-solvers. It empowers individuals not only to improve their own lives but also to contribute meaningfully to their workplaces, communities, and nation.

Our mission remains rooted in our 3Es Framework:

- Equip learners with knowledge and practical skills.
- Empower individuals to lead, innovate, and create impact.
- Elevate communities, institutions, and nations.
- These principles continue to guide everything we do.

To our graduates, I encourage you to view today not as the end of a journey, but as the beginning of greater responsibility. The knowledge and skills you have acquired must now be translated into action. Lead with integrity. Serve with humility. Pursue excellence relentlessly. Embrace lifelong learning. Most importantly, use your talents to create positive change wherever you find yourself.

The future of Liberia depends on professionals who are competent, ethical, innovative, and committed to service. I am confident that each of you has the potential to be part of that transformation.

To our training specialists, staff, partners, families, and supporters, thank you for your continued dedication and belief in our mission. Your contributions make moments like this possible.

As we celebrate today, let us remain inspired by the possibilities that lie ahead. Together, we will continue building a stronger workforce, stronger institutions, and a stronger Liberia.

Congratulations to all members of Cohort 14.  
May your achievements today become the foundation of even greater accomplishments tomorrow.

**Mohammed Kerkulah**

Founder & Chief Empowerment Officer

## LIBERIA NATIONAL ATHEM

### 1st Verse:

All hail, Liberia, hail!  
All hail, Liberia, hail!  
This glorious land of liberty  
Shall long be ours.  
Though new her name,  
Green be her fame,  
And mighty be her powers,  
And mighty be her powers.  
In joy and gladness  
With our hearts united,  
We'll shout the freedom  
Of a race benighted,  
Long live Liberia, happy land!  
A home of glorious liberty,  
By God's command!  
A home of glorious liberty,  
By God's command!

### 2nd Verse:

All hail, Liberia, hail!  
All hail, Liberia, hail!  
In union strong success is sure  
We cannot fail!  
With God above  
Our rights to prove  
We will o'er all prevail,  
We will o'er all prevail!  
With heart and hand  
Our country's cause defending  
We'll meet the foe  
With valor unpretending.  
Long live Liberia, happy land!  
A home of glorious liberty,  
By God's command!  
A home of glorious liberty,  
By God's command!

## OUR PURPOSE

Transforming Africa through a change led by equipped and empowered young people and professionals. We believe in growing leaders who will drive Africa's transformation at all levels.

## OUR VISION

To be a premier hub for practical, accessible, and empowering professional development that equips individuals with the skills, knowledge, mindset and network to lead, innovate, and thrive in a changing world.

## OUR MISSION

To provide industry-relevant, hands-on, and learner-centered professional development programs that empower individuals to grow in knowledge, improve performance, and create meaningful impact in their careers, businesses, and communities.

Nimba	3.6%
Other Counties (10)	15.3%

🌐 Massive concentration in Montserrado County with room for regional expansion.

### KEY INSIGHTS

- ✔ Strong female participation (59.4%)
- ✔ Second largest cohort in our history
- ✔ 93.14% FCP graduation rate
- ✔ 95.88% female & 90.93% male completion rates
- ✔ 48.1% knowledge gain
- ✔ 98.7% positive trainer ratings
- ✔ 97.6% satisfied or very satisfied participants
- ✔ 100% recommendation rate
- ✔ 15 counties represented

## OUR CORE VALUES

At Gonet Academy, our core values guide everything we do and are the foundation of our commitment to excellence:

### **COLLABORATION:**

We foster a spirit of teamwork and partnership, recognizing that collective effort leads to greater achievements.

### **INCLUSIVITY:**

We believe in creating a welcoming environment that embraces diversity and promotes equal opportunities for all.

### **INTEGRITY:**

We uphold the highest ethical standards, ensuring honesty, transparency, and accountability in all our actions.

### **INNOVATION:**

We encourage creativity and forward-thinking to develop cutting-edge solutions that meet the evolving needs of our learners.

### **CONTINUOUS LEARNING:**

We promote lifelong learning as a key driver of professional growth and societal transformation.

### **EXCELLENCE:**

We strive for the highest standards in all our programs and services, ensuring quality education and training.
