ABOUT GONET ACADEMY

Gonet Academy is a professional development and capacity-building institution established to equip individuals with relevant, practical, and future-ready skills for career growth, leadership, and institutional impact. Founded as the professional training arm of GonetAfrica, the Academy responds to the growing need for continuous professional development that goes beyond theory to build real-world competence.

Since its establishment, Gonet Academy has delivered certificate, diploma, and comprehensive professional programs designed for high school graduates, university students, early-career professionals, and mid-career practitioners across diverse fields. Our approach blends technical expertise with essential life and leadership skills—emphasizing discipline, critical thinking, professionalism, and ethical practice.

Guided by the philosophy of **“Equipping for Excellence, Empowering for Impact,”** Gonet Academy is committed to producing confident, competent, and purpose-driven professionals who can contribute meaningfully to organizations, communities, and national development. Through structured learning, experienced facilitators, practical application, and mentorship, the Academy continues to serve as a trusted platform for professional growth in Liberia and beyond.

Beyond technical competence, we intentionally cultivate within our students a strong sense of responsibility, effective problem-solving abilities, and the courage required to lead meaningful and ethical change in society.

Our work is guided by the **3Es Framework**, which defines the Gonet Academy experience:

- Equip – Providing relevant knowledge, practical skills, and tools aligned with professional and institutional needs.
- Empower – Building confidence, strengthening capacity, and nurturing leadership mindset and character.
- Elevate – Supporting individuals to reach their full potential and positively influence systems, organizations, and communities around them.

Through this approach, Gonet Academy continues to serve as a trusted platform for professional excellence, leadership development, and sustainable impact.

OUR STORY: FROM VISION TO IMPACT

GonetAfrica was not born out of abundance, it was born out of conviction.

In February 2021, at a time when many young people were navigating uncertainty, limited opportunities, and widening skills gaps, a simple but bold idea took root: what if young people were intentionally equipped not just with certificates, but with confidence, competence, and character? That question became the foundation of GonetAfrica.

The early days were marked by borrowed spaces, virtual sessions, volunteer energy, and an unwavering belief in potential. What we lacked in resources, we made up for in purpose. Training sessions were not just delivered they were lived. Conversations extended beyond classrooms. Mentorship went beyond programs. And impact was measured not only by numbers, but by transformation.

As the work expanded from youth leadership and education reform to digital literacy, global opportunities, and institutional capacity building, it became clear that there was a growing demand for structured, continuous professional development. This led to the establishment of Gonet Academy, the professional development arm of GonetAfrica, created to respond to Liberia's evolving workforce and skills needs with relevance, rigor, and integrity.

Over five years, Gonet Academy has grown into a national platform for professional learning, serving high school graduates, university students, early-career professionals, and mid-career practitioners. Across multiple cohorts, programs, and disciplines, one principle has remained constant: learning must translate into real-world competence and purposeful action.

Today, our graduates are contributing in workplaces, communities, public institutions, civil society, and entrepreneurial spaces across Liberia and beyond. Many are leading initiatives, mentoring others, and becoming part of a growing ecosystem of changemakers proof that when people are equipped intentionally, the ripple effects are lasting.

This graduation is not the end of a journey; it is a continuation of a story still being written. A story of resilience. A story of belief. A story of young people choosing growth, discipline, and excellence. As we mark five years of impact, we remain guided by the same conviction that started it all: when people are empowered with the right skills, mindset, and support, they do not just succeed they multiply impact.

And this is only the beginning.

MESSAGE FROM THE FOUNDER & CHIEF EMPOWERMENT OFFICER

Dear Graduands, Families, Partners, Guest Speaker, Training Specialists, Special Guests, Advisory Board Members, Staff, and Friends of Gonet Academy,

Today is more than a graduation ceremony. It is a celebration of **five years of vision turned into impact** and a powerful affirmation of what is possible when commitment meets purpose.

When GonetAfrica was founded in **February 2021**, and Gonet Academy emerged as its professional development arm, we carried a simple but bold conviction: that skills, mindset, and discipline can change lives. Five years later, standing before you at the graduation of Cohort 13, that conviction is no longer just a belief, it is evidence.

We are especially honored to have the **Minister of Education** of the **Republic of Liberia, Dr. Jarso Maley Jallah**, join us as the **Guest Speaker** for this historic Cohort 13 Graduation Ceremony. Her presence is a strong affirmation of the national importance of skills development, lifelong learning, and professional excellence. We are deeply grateful for her leadership, support, and commitment to strengthening education and human capital development in Liberia.

This ceremony marks a historic milestone in our journey. As we celebrate **five years of impact**, we also celebrate **913 graduates** who have successfully completed their programs in this cohort alone. Of these, **513 are women (56.19%) and 400 are men (43.81%)** a reflection of our deep commitment to inclusion, equity, and empowering women as leaders and professionals across sectors.

Cohort 13 represents the diversity and strength of our programs:

- **731 graduates** from our **Foundation Certificate Programs (FCP)**, laying strong professional and personal foundations;
- **131 graduates** from the **Comprehensive Professional Programs (CPP)**, who committed to depth, rigor, and long-term professional transformation; and
- **51 graduates** from our **Professional Diploma Programs (PDP)**, who sharpened specialized competencies for today's competitive workplace.

Each of these numbers represents more than completion, they represent **late nights, personal sacrifices, growth beyond comfort zones, and a decision to invest in self-development.** You chose not to remain where you were. You chose growth.

Over the past five years, Gonet Academy has evolved from a small, vision-driven initiative into a national platform for continuous professional development equipping thousands of learners with relevant, practical, and values-driven skills. Our graduates are now contributing meaningfully in organizations, communities, public institutions, and entrepreneurial spaces across Liberia and beyond. Many are already becoming trainers, mentors, leaders, and changemakers themselves.

To the graduates of Cohort 13: **you are part of our legacy, and you are also our future.** What you do with the knowledge, skills, and confidence you have gained will define the true impact of this institution. Carry the values you learned here discipline, excellence, integrity, and service into every space you enter.

To our trainers, staff, partners, and families: thank you for believing in this mission and standing with us through the journey. And above all, we give glory to God for guidance, provision, and grace throughout these five years.

As we look ahead, we do so with renewed commitment to deepen quality, expand access, and continue building professionals who are not only competent, but purposeful.

Congratulations, Cohort 13.
You are equipped. You are empowered.
And the journey has only just begun.

With pride and gratitude,

Mohammed Kerkulah
Founder & Chief Empowerment Officer

LIBERIA NATIONAL ATHEM

1st Verse:

All hail, Liberia, hail!
All hail, Liberia, hail!
This glorious land of liberty
Shall long be ours.
Though new her name,
Green be her fame,
And mighty be her powers,
And mighty be her powers.
In joy and gladness
With our hearts united,
We'll shout the freedom
Of a race benighted,
Long live Liberia, happy land!
A home of glorious liberty,
By God's command!
A home of glorious liberty,
By God's command!

2nd Verse:

All hail, Liberia, hail!
All hail, Liberia, hail!
In union strong success is sure
We cannot fail!
With God above
Our rights to prove
We will o'er all prevail,
We will o'er all prevail!
With heart and hand
Our country's cause defending
We'll meet the foe
With valor unpretending.
Long live Liberia, happy land!
A home of glorious liberty,
By God's command!
A home of glorious liberty,
By God's command!

OUR PURPOSE

Transforming Africa through a change led by equipped and empowered young people and professionals. We believe in growing leaders who will drive Africa's transformation at all levels.

OUR VISION

To be a premier hub for practical, accessible, and empowering professional development that equips individuals with the skills, knowledge, mindset and network to lead, innovate, and thrive in a changing world.

OUR MISSION

To provide industry-relevant, hands-on, and learner-centered professional development programs that empower individuals to grow in knowledge, improve performance, and create meaningful impact in their careers, businesses, and communities.

5 YEARS OF IMPACT

Fostering gender balance in professional growth

OUR CORE VALUES

At Gonet Academy, our core values guide everything we do and are the foundation of our commitment to excellence:

INCLUSIVITY:

We believe in creating a welcoming environment that embraces diversity and promotes equal opportunities for all.

INNOVATION:

We encourage creativity and forward-thinking to develop cutting-edge solutions that meet the evolving needs of our learners.

EXCELLENCE:

We strive for the highest standards in all our programs and services, ensuring quality education and training.

COLLABORATION:

We foster a spirit of teamwork and partnership, recognizing that collective effort leads to greater achievements.

INTEGRITY:

We uphold the highest ethical standards, ensuring honesty, transparency, and accountability in all our actions.

CONTINUOUS LEARNING:

We promote lifelong learning as a key driver of professional growth and societal transformation.

MEET THE GREATNESS TEAM

We are dedicated to empowering the next generation of professionals and leaders in all sectors for sustainable development and transformation.
