ABOUT GONET ACADEMY

Transforming Lives Through Learning

Gonet Academy is a professional development and capacity-building institution established to equip individuals with relevant, practical, and future-ready skills for career growth, leadership, and institutional impact. Founded as the professional training arm of GonetAfrica, the Academy responds to the growing need for continuous professional development that goes beyond theory to build real-world competence. Since its establishment, Gonet Academy has delivered certificate, diploma, and comprehensive professional programs designed for high school graduates, university students, early-career professionals, and mid-career practitioners across diverse fields. Our approach blends technical expertise with essential life and leadership skills—emphasizing discipline, critical thinking, professionalism, and ethical practice.

Guided by the philosophy of **"Equipping for Excellence, Empowering for Impact,"** Gonet Academy is committed to producing confident, competent, and purpose-driven professionals who can contribute meaningfully to organizations, communities, and national development. Through structured learning, experienced facilitators, practical application, and mentorship, the Academy continues to serve as a trusted platform for professional growth in Liberia and beyond. Beyond technical competence, we intentionally cultivate within our students a strong sense of responsibility, effective problem-solving abilities, and the courage required to lead meaningful and ethical change in society.

Our work is guided by the **3Es Framework**, which defines the Gonet Academy experience:

- Equip – Providing relevant knowledge, practical skills, and tools aligned with professional and institutional needs.
- Empower – Building confidence, strengthening capacity, and nurturing leadership mindset and character.
- Elevate – Supporting individuals to reach their full potential and positively influence systems, organizations, and communities around them.

Through this approach, Gonet Academy continues to serve as a trusted platform for professional excellence, leadership development, and sustainable impact.

OUR STORY: FROM VISION TO IMPACT

GonetAfrica was not born out of abundance, it was born out of conviction.

In February 2021, at a time when many young people were navigating uncertainty, limited opportunities, and widening skills gaps, a simple but bold idea took root: what if young people were intentionally equipped not just with certificates, but with confidence, competence, and character? That question became the foundation of GonetAfrica. The early days were marked by borrowed spaces, virtual sessions, volunteer energy, and an unwavering belief in potential. What we lacked in resources, we made up for in purpose. Training sessions were not just delivered they were lived. Conversations extended beyond classrooms. Mentorship went beyond programs. And impact was measured not only by numbers, but by transformation. Is the work expanded from youth leadership and education reform to digital literacy, global opportunities, and institutional capacity building, it became clear that there was a growing demand for structured, continuous professional development. This led to the establishment of Gonet Academy, the professional development arm of GonetAfrica, created to respond to Liberia's evolving workforce and skills needs with relevance, rigor, and integrity.

Over five years, Gonet Academy has grown into a national platform for professional learning, serving high school graduates, university students, early-career professionals, and mid-career practitioners. Across multiple cohorts, programs, and disciplines, one principle has remained constant: learning must translate into real-world competence and purposeful action. Today, our graduates are contributing in workplaces, communities, public institutions, civil society, and entrepreneurial spaces across Liberia and beyond. Many are leading initiatives, mentoring others, and becoming part of a growing ecosystem of changemakers proof that when people are equipped intentionally, the ripple effects are lasting.

This graduation is not the end of a journey; it is a continuation of a story still being written. A story of resilience. A story of belief. A story of young people choosing growth, discipline, and excellence. As we mark five years of impact, we remain guided by the same conviction that started it all: when people are empowered with the right skills, mindset, and support, they do not just succeed they multiply impact.

And this is only the beginning.

MESSAGE FROM THE FOUNDER & CHIEF EMPOWERMENT OFFICER

Dear Graduates, Distinguished Guests, Training Specialists, Partners, Members of the Gonet Academy Community, and Fellow Liberians:

It gives me great pleasure to welcome you to the graduation ceremony of Gonet Academy Cohort 15. This occasion is both a celebration of individual achievement and a reflection of our collective commitment to advancing professional capacity, developing leadership, and contributing to Liberia's human capital development. Each graduating cohort strengthens our resolve to make quality professional education accessible and relevant to the changing needs of our society.

Today's celebration brings together individuals whose journeys have been shaped by determination, hard work, and a willingness to embrace new opportunities. Completing a professional development program requires more than attending classes; it demands consistency, personal sacrifice, and the discipline to keep learning even when circumstances are challenging. To every graduate here today, your presence at this milestone is evidence of your commitment to becoming better equipped for the opportunities and responsibilities ahead.

Cohort 15 has recorded an outstanding milestone in the growth of Gonet Academy. With **1,022** learners enrolled, compared to 1,012 in Cohort 14, it ranks as one of the largest cohorts in the Academy's history. This achievement speaks to the expanding reach of our institution and the confidence that professionals, organizations, and communities continue to demonstrate in our training programs.

Beyond enrollment and participation, the measurable impact of our training is reflected in the learning assessment results, which shows massive improvement demonstrated by structured instruction, practical engagement, and competency-focused training in helping individuals translate learning into workplace performance.

At this ceremony, we are delighted to recognize 937 graduates across our three major program categories:

- **682 graduates from the Foundational Certificate Programs;**
- **208 graduates from the Comprehensive Professional Programs; and**
- **47 graduates from the Professional Diploma Programs.**

These graduates represent a growing pool of skilled professionals prepared to bring fresh perspectives, improved performance, and greater value to their respective workplaces and communities.

We are particularly privileged to have **Hon. Atty. Cornelia Wonkerleh Kruah, Minister of Youth and Sports of the Republic of Liberia,** joining us as our Guest Speaker. Her record of public service, leadership, and advocacy for the empowerment of young people, women, and vulnerable populations makes her an important voice in Liberia's development journey. We warmly appreciate her acceptance of our invitation and look forward to the inspiration and insights she will bring to this celebration.

At Gonet Academy, we recognize that the real value of education is measured not simply by the credentials earned, but by how effectively knowledge is applied to address challenges and create opportunities. Our goal is to develop professionals who can think critically, exercise sound judgment, lead responsibly, embrace innovation, build enterprises, and deliver practical solutions to everyday problems.

This aspiration is captured in our institutional 3Es Framework:

- **Equip** – Strengthen individuals with relevant knowledge, technical abilities, and practical competencies.
- **Empower** – Build the confidence and capacity of individuals to lead, innovate, and generate meaningful impact.
- **Elevate** – Advance communities, strengthen institutions, and contribute to national and societal progress.

These three commitments define our institutional direction and shape the experiences we seek to create for every learner who becomes part of the Gonet Academy community.

To our graduates: As you receive your certificates and diplomas today, remember that your professional journey does not stop here. You now have an opportunity to demonstrate the value of your training through the quality of your work, the decisions you make, and the contributions you bring to your organizations and communities. Let integrity guide your actions, humility shape your leadership, and excellence remain the standard you set for yourselves.

Continue learning, remain adaptable, and never underestimate your ability to influence positive change.

Our country needs professionals who can turn knowledge into solutions, ideas into opportunities, and leadership into meaningful service. May you become ambassadors of these values and active contributors to the Liberia we all aspire to build.

I also extend heartfelt appreciation to our training specialists, management and staff, institutional partners, families, and supporters. Your time, expertise, encouragement, and commitment have played an important role in bringing Cohort 15 to this successful conclusion. The progress of Gonet Academy is made possible through the dedication and collaboration of everyone who believes in our mission.

As we mark this achievement, let us look beyond today's celebration and remain focused on the greater possibilities ahead. Every professional we develop, every institution we strengthen, and every community we positively influence brings us closer to the future we envision for Liberia.

Congratulations to all **937 graduates of Gonet Academy Cohort 15!** May this accomplishment open new doors, inspire greater ambitions, and position you to make lasting contributions wherever your journey takes you.

Thank you, and may God bless you all and the Republic of Liberia.

Mohammed Kerkulah
Founder & Chief Empowerment Officer

LIBERIA NATIONAL ATHEM

1st Verse:
All hail, Liberia, hail!
All hail, Liberia, hail!
This glorious land of liberty
Shall long be ours.
Though new her name,
Green be her fame,
And mighty be her powers,
And mighty be her powers.
In joy and gladness
With our hearts united,
We'll shout the freedom
Of a race benighted,
Long live Liberia, happy land!
A home of glorious liberty,
By God's command!
A home of glorious liberty,
By God's command!

2nd Verse:
All hail, Liberia, hail!
All hail, Liberia, hail!
In union strong success is sure
We cannot fail!
With God above
Our rights to prove
We will o'er all prevail,
We will o'er all prevail!
With heart and hand
Our country's cause defending
We'll meet the foe
With valor unpretending.
Long live Liberia, happy land!
A home of glorious liberty,
By God's command!
A home of glorious liberty,
By God's command!

OUR PURPOSE

Transforming Africa through a change led by equipped and empowered young people and professionals. We believe in growing leaders who will drive Africa's transformation at all levels.

OUR VISION

To be a premier hub for practical, accessible, and empowering professional development that equips individuals with the skills, knowledge, mindset and network to lead, innovate, and thrive in a changing world.

OUR MISSION

To provide industry-relevant, hands-on, and learner-centered professional development programs that empower individuals to grow in knowledge, improve performance, and create meaningful impact in their careers, businesses, and communities.

OUR CORE VALUES

At Gonet Academy, our core values guide everything we do and are the foundation of our commitment to excellence:

COLLABORATION:

We foster a spirit of teamwork and partnership, recognizing that collective effort leads to greater achievements.

INCLUSIVITY:

We believe in creating a welcoming environment that embraces diversity and promotes equal opportunities for all.

INTEGRITY:

We uphold the highest ethical standards, ensuring honesty, transparency, and accountability in all our actions.

INNOVATION:

We encourage creativity and forward-thinking to develop cutting-edge solutions that meet the evolving needs of our learners.

CONTINUOUS LEARNING:

We promote lifelong learning as a key driver of professional growth and societal transformation.

EXCELLENCE

We strive for the highest standards in all our programs and services, ensuring quality education and training.
